Jenna on His Mind

Dear Virgin Territory,

Jenna is so sexy. I was so glad she did hardcore for you, and I was happy to see her again in the Holiday '12 issue, even if it was just a solo pictorial. She reminds me of the first girl I ever had a serious crush on. She has the same face and body and even the same gap between her teeth! And now I have a major crush on Jenna! I especially enjoyed the photo of Jenna sticking two fingers in her pussy on page 65. It looks like a tight fit, and it must feel wonderful to stick your cock in that tiny entrance. You know a girl has the perfect tightness when she can just barely fit two fingers inside her snug fuck-tunnel.

Because she is so adorable, I bought the DVD After School Slut Club 2. After seeing her awesome scene in that movie my crush on her grew threefold! Jenna is currently my favorite girl in your magazine. Seeing her makes me instantly hard. When I'm in boring situations my mind tends to wander to Jenna, and I start thinking about fucking her tight pussy. I have to be careful not to get a hard-on in

public! A girl has never had that affect on me. That's just how much Jenna turns me on. I've noticed that you're good about fulfilling reader requests. Well, if you publish my letter, can you please put

a nice picture of Jenna's asshole for me? It'd make me so happy. Thanks.–T.L., Austin, Texas

Dear T.L.,

No problem! Here's Jenna's starfish just for you.

Rilee for the Win

Dear Virgin Territory,

I am writing to vote for Rilee. You probably think I am crazy, but an old

70-year-old man like me would so get turned on to a young girl. Her boobs are delicious, and I would like to jerk off in between them. All of them are beautiful. Too bad only one wins. I wish I could have a lot hot pics Rilee.-D.B., Greenfield, Massachusetts

Dear D.B.,

You'll be happy to see that Rilee won the contest thanks to guys like you!

Dear Virgin Territory,

Let it be known that my vote goes for Rilee. She is the hottest teen I have ever seen, and she deserves to win the contest. She has perfect tits and the perfect body overall. I love her.

I care more about this contest than the presidential election. If Rilee wins, I will be so damn happy! If she wins, I

will spill lots of loads of cum in her honor.-I.M, via email

Dear J.M.,

Prepare to jack, because your girl Rilee won the contest!

Trinity Gets the Silver

Dear Virgin Territory,

My vote for the Hot Body Contest is for Trinity. She is so hot. She is a goddess. Her 32A breasts would fit in my hands so naturally. She has a small frame that makes me crazy. I would love to see her with two guys for DP, and Trinity with her girlfriend and a guy who would penetrate all their holes. I am a true fan.-B.G., Robbinsdale, Minnesota

Dear B.G.,

Although Trinity was the first runner up in the Hot Body Contest, she is nonetheless an incredibly sexy teen. Here's a bonus photo of her for you.

Lusting for Lexa

Dear Virgin Territory,

Lexa is an excellent teen for your magazine. Every girl in your magazine should be built just like her. Us 18eighteen readers want to see skinny, flat girls with perky, little butts and shaved pussies. I would prefer it if

Lexa didn't have any tattoos but

gross and obvious like some other models'. And the fact that she has such a great body more than makes up for the fact that she is tattooed. I enjoyed seeing her hardcore pictorial in the Holiday '12 issue. The cum shot was great. I haven't logged on to 18eighteen.com to check out the video yet, but I will and I can't wait. It's always a treat to see your girls progress from solo pictorials to full-on fuck photos and videos. When I watch Lexa's video I will be sure to write in and let you know what I think.-F.D., via email

Dear F.D.,

Please do write in and let us know what you think of the video. The more feedback we get the more we can work to give you what you want.

The Canuck Approves

Dear Virgin Territory,

Bonjour! I am always a fan of 18eighteen magazine, the best porn mag in the world! And the Nov. and Dec. '12 issues have beautiful girls for my big cock! My favorite girl in November is Mary Jane. Thank you for page 82. It's perfect for my cum shot! My favorite girl in December is Kandice. A true beauty! Elle's cover was perfect!

The article "Flights of Fantasy" by Payton Parker was super fun, and I love Amelie! My response for the hot body contest is Rilee. But, all the girls are super pretty and cute.

Merci beaucoup for the bonus DVD

Dear P.L.,

Your letters are always welcome, and we love to hear your ideas. Your enthusiasm for 18eighteen is very appreciated.

Craving Abby

Dear Virgin Territory,

Abby is simply striking. She truly is flawless and perhaps the most beautiful girl I've ever seen. Thank you so much for the full-page butthole photo on page 30. That was my favorite photo in the whole issue. My mouth started to water as soon as I saw her

delicious pussy and asshole. I could just imagine swabbing both of her holes with my tongue and working my finger into her tight butthole. I am 50 years old, but Abby makes me feel so young again. If I were to fuck her, I'd probably cum in 10 seconds like a virgin because she is so hot! Please, more of her soon! I am craving her so bad.-F.V., Modesto, California

Be prepared for a hardcore photo shoot of Abby soon!

iteen mailing label.

Flashing Her Flatness

Dear Virgin Territory,

Finally! You get it right. Tight, tiny top, flat-chested. Something in her hair. Daisy Dukes. And to top it all off...she flashes her flatness, teasing us. Yes, I'm referring to Sydney in the Nov. '12 issue. This is the type of layout I (we) want to see in your mag. Girls dressed like this, wearing tight, little bands across their vast flatness. The picture of Sydney on the first page down in the right corner should have been a full page. I love to see a smiling flat-chested girl flashing her

flatness, knowing she is making so many men rock hard. Flash on, Sydney. Lately you've been featuring big-tittied, full-figured teens. Come on now. We want more skinny, flat-chested teens!-L.B., Fort Worth, Texas

Dear L.B.,

We think you should flip to page 52 to check out the Flat Pack special!

Ava's Innocence

Dear Virgin Territory,

Ava is the hottest teen ever. She looks so sweet and innocent-just how I like them! I, for one, tend to not like the overly sexy teens so much. But realistically I know those are the girls you are going to find most easily, so as

long as a girl is cute and young looking I don't dwell on the fact that she may have some tattoos or too much make-up or something like that. But Ava! Well, honestly I was surprised to find a girl like her in your magazine! Not that you don't have some great girls, but Ava looks so sweet and nice that if I were to see her on the street, I'd never guess that she'd pose for a porn magazine. Perhaps that's part of what makes her so attractive. She's an anomaly, a totally innocent-looking, slightly mousy girl in a world of teens trying to look and act more grown up

Chloe is a well-rounded fuck doll. She's everything you want in a girl.

Chloe was the popular girl at school who played tennis and did cross country running. One of her special talents is giving head under water. And best of all, she likes older men and anal sex. Not only is she hot, but Chloe has the kind of sexual energy that makes her truly irresistable. She's more than just a pretty face, she has a horny pussy and a craving for kink to go along with it!

She puts a new spin on an old position.

Chloe likes something called kittycat style. "It's my favorite position. It's the same thing as doggie-style, but I think kittycat style sounds so much sexier. Doggie-style is kind of raunchy!"

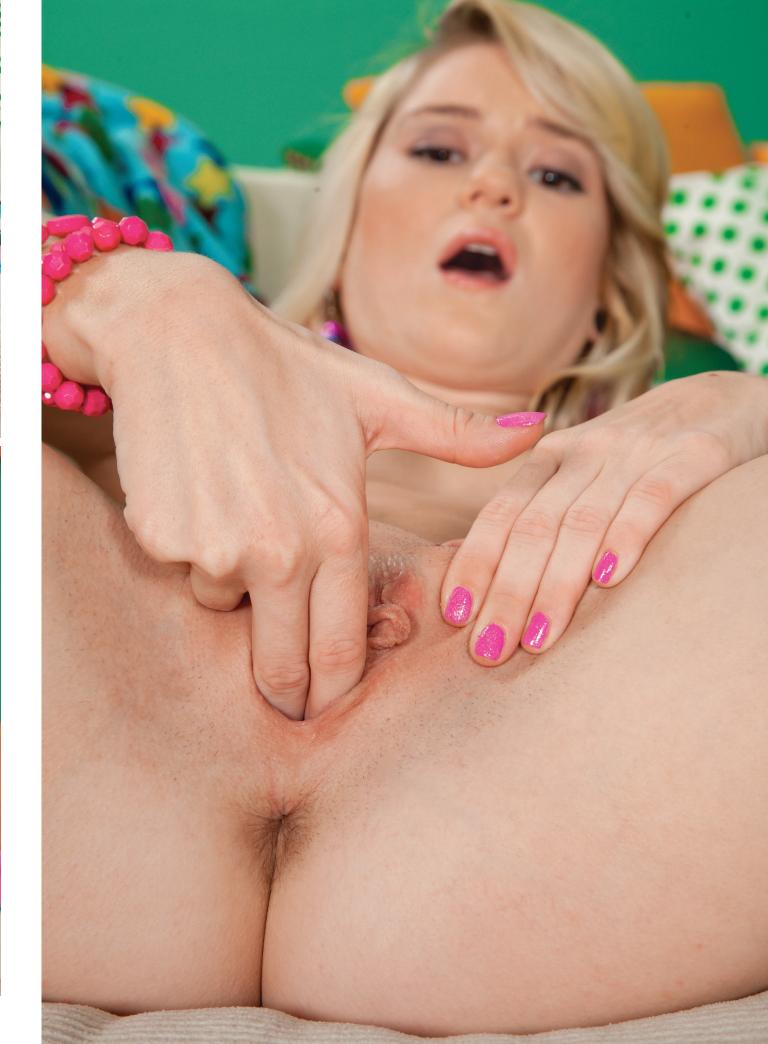

She's always loved sex.

Chloe was lucky enough to skip out on the awkward figuring-thingsout phase of sex. As soon as she got her first cock, she fell in love with fucking! "My first time was really good. My panties were soaking wet just from kissing. He was rubbing his cock on my pussy and I was so wet it just slid in. I loved it, and I don't think I've ever had bad sex."

about a week before I met her for some ice cream so we could talk about the email she sent me. She was wearing jeans and flip-flops and a t-shirt with a cartoon dinosaur that proclaimed her a "nerdasaurus." But even beneath the adorable, unremarkable garb, her young womanhood—in the form of curves that NASCAR might look to trademark—was pretty evident. Her shy smile and wide eyes only added to her teen appeal.

"This is going to be harder than I thought," she confessed, staring down into her cup of cake batter yogurt-with a few errant gummi bears mixed in—"it was so much easier to write."

I reassured her that we didn't have to talk too nasty. What follows is comprised of quotes from her lusty email along with a few tidbits from our in-person chat.

Hayley's been a daddy's girl her whole life, you see. She grew up in an area of Michigan that borders suburban and rural and she and her brothers were raised with their father's love of the outdoors: camping, hiking and fishing became innate. "And when my older brothers were already at college and I was the only one left, Dad and I would go on solo fishing trips and he taught me everything. Even how to fish from a canoe!"

One year, though, something came up. Dad couldn't do their usual jaunt to the wilderness. "I didn't want to miss it and so Dad's best friend, Mr. Johnson, and his son, Timmy, invited me to join theirs. Our family and theirs had been friends for years, but it had been awhile since I'd seen them. You can imagine my surprise when they show up in the minivan to get me and Timmy–now about 25–is all grown up. He was tall and solid with the early growth of a beard and sort of shaggy-ish hair, and I was all kinds of sideways just looking at him. I felt like a little girl with my stupid braces and everything. And I was sure that's how he saw me: as a kid."

They settled into the Johnson's cabin quite easily and they were impressed with Hayley's ease with nature and skill with all the equipment . "There were no daughters in their family and Mrs. Johnson wasn't much for camping or the woods," Hayley giggled. "I don't think they knew that girls could even enjoy themselves outside in nature."

Before long, she'd won their respect handily.

"At night, when Mr. Johnson would fall asleep," she wrote, "Timmy

black of the woods. I'd let him hold my hand even though it wasn't the forest that scared me, it was the way my body felt when I was alone with him. My cunny would get wetter even more than when I touched myself in the dark of my bedroom. My nipples would tingle. I'd find myself imagining him exploring all the parts of me that no one had ever even seen. I'd imagine his hands, his man parts, I was sure they'd be BIG and that scared me, too! And even his tongue–which I found so sexy and totally embarrassing at the same time—even though I was the only one who knew I was thinking it! I'd only actually ever kissed a boy once and that was during a spin-the-bottle session at sleep-away camp. I grew up with a protective dad and older brothers, plus I wasn't exactly the head cheerleader at school. No one ever asked me out or anything.... The way he paid attention to me was addictive."

On the morning of their fishing trip, Mr. Johnson woke them before dawn. He had to head home for the day.

"Something happened at his store that he needed to take care of. He left me with Timmy. 'Make sure you take good care of Hayley,' he said. 'She'd better catch a big one or I'm taking it out on you!' he joked. My insides turned to syrup. We were actually going to be alone."

After breakfast they walked to the boathouse and there was a different

spark in the air. They both felt it.

"He stepped into the skiff and helped me in and I fell against his chest and we kissed. That was it. In about five minutes he was sucking on my tongue and had pulled out my ponytail and let my hair fall down my back. I couldn't wait to get my hands all over his manly, hairy chest and belly. He was arranging all those floating safety cushions in the bottom of the boat and had me down on my back—all I was wearing was a little string bikini and he slid the triangles to the side, revealing my tiny, barely-there titties. I blushed.

"They're beautiful,' he told me. And I believed him as he bent to kiss and lick and tease my nipples. I could feel the heat turn up between my thighs, and I began to soak into my bathing suit. I was sure he was going to be grossed out but then, oh my gosh, he took down my suit and buried his face in my little muffin. He smelled it! He licked and kissed it! I was staring up at the inside of the boathouse roof when my eyes rolled back into my head. He took that little nub, that button that always felt so good to touch, and starting sucking on it and then seconds later I was cumming and cumming and even moaning a tiny bit, and he didn't stop when I gushed all over his mouth and chin and beard. He drank me. He loved it. And it only made me cum harder. And when I was finally done, he stood over me.

"And then he took down his shorts. And I got wet all over again when I saw the size of his thingie. I couldn't believe how big and thick it was!

"'Do you want to, Hayley?' he asked me.

"...And I did. I just wanted to taste it first. So I sat up and tentatively, like the virgin I was, I held it. It was hot to the touch and hard and he sighed when I squeezed it in

my tiny hand. I cupped the fuzzy balls below and he sighed again. And then I saw it creaming at the tip and—even though I was a little grossed out at first—I tasted it. He was delicious. Everything about it felt

right. I started sliding it in and out of my mouth the way I'd read about in romance novels,

and he put his hands in my hair. That felt right,

too. And when
I started falling into a

rhythm, he stopped me."

"I have to have you," he said. "Can I? Is it okay?"

She lay back and spread her legs for him. That was her yes.

"He was on top of me...kissing me and telling me I was beautiful and he wouldn't hurt me, and you know, I wasn't scared at all. I could feel his prick at my opening and I spread my legs and wrapped them around. He went slow and then he was all the way in. It didn't hurt a bit because I was so wet and relaxed. As he began moving in and out and in and out I got the hang of it, and before long I was moving my hips along with his. He never stopped kissing me and it felt so good. So right. And then just as I was about to cum again, he was done, and I got to watch as he pulled on it and showered my flat, white belly with his semen. It was sort of silly, I have to admit, but sexy, too. It was a dream come true first time."

"What was the best part of that experience?" I asked her at the yogurt place.

She laughed. "We got to go fishing right after!"

The Two-Man Tent

"Shit always happens when I go camping," wrote Sunny, 24. "I love it, but someone always loses something or forgets something or it rains. It's always an adventure."

On this trip, she and her boyfriend, Jeff, were planning some rafting in Arizona with their best friends, Sheila and Joe. "At the last minute, they get into a big fight and Sheila tells him to fuck off. Like I need to deal with drama on a little vacation, right? But Joe decided to come anyway and then of course, Sheila gets even more pissed and says he can't use her tent. And again, of course, Joe doesn't tell us he has no tent until we're already set up at the site."

It was a comedy of errors, she admits, "but my name is Sunny, right? It's more or less mandatory that I be a good sport about stuff. I said he could stay in our tent." This didn't sit exactly right with boyfriend, Jeff, but he let it go.

After an exciting day of rafting—a trip Sunny describes as one of the most fun days of her life—the trio was exhausted. They cooked up a nice campfire meal, opened a couple of bottles of wine, turned on the radio and welcomed the night into the desert. "You know, a little wine loosens everyone up. Before long, Jeff and I are getting snuggly and kissing and stuff and then we look across the fire and Joe is just sitting there. Then I remember we have to share a tent with him!"

She tried to cool Jeff off, but much to her surprise, Jeff-appropriately loosened up—was sort of enjoying putting on a naughty show for his best friend. "I wasn't really buzzing or anything," Sunny told me, "but I'd always thought Joe was cute and I knew him, so he was safe. AND I'd always kind of had a little threesome fantasy so I thought, What the hell? May as well go for it before Jeff changes his mind. And if he regrets it later I can just point out that it was his idea in the first place!"

She and Jeff took it a little further by the fire, lying Continued on page 42

Sofia's face screams innocent teen, but her body screams, "Fuck me!"

Is there anything hotter than a teen girl teetering on the edge of womanhood? Sofia's fresh, young face hasn't quite caught up with her curvy, blossoming body (those braces made us check her ID twice-she's definitely legal!). Her boobs aren't exactly the miniscule mounds that we're used to around here. And that's okay. They're perky handfuls, lovely teenage tits defying gravity. And her round butt and pretty, shaved slit are ripe and ready for action.

mows the lawn with his shirt off my pussy gets so wet. I'm waiting for the day he catches me rubbing my pussy in my backyard. I lay there and spread it open, hoping he'll peek through the fence and see it."

Charlie is a country girl who likes to go down south!

"I love to give guys head. I could just give a guy a blow job and be happy even if we didn't have sex! I really like to please, and I like making a guy cum."

She takes her country roots seriously, and part of that is treating her guests to hearty, home-cooked meals. And if you're her guy, Charlie will make sure to feed you well, then fuck you even better. "I've been cooking for years. It's one of my favorite things to do. I love to cook Southern meals like fried chicken and mashed potatoes for my man. After he eats, I take him to the bedroom to show him what else I'm good at...sucking and fucking!"

HAPPY TRAILS

back and easing into a full-on make-out session. "Jeff lifted up my tanktop and was pinching and tweaking my nipple while he kissed me, and I knew Joe was watching. At one point, I cracked my eye open and he was sitting in his camping chair, staring intently, and I could see a pretty

impressive outline bulging through his cargo shorts. That made me eager to get the real party started."

She began egging Jeff on, moaning, teasing, then finally whispering, "Let him watch me suck your big cock." That drove him nuts. "He was up on his knees and unzipping for me while I slithered over to him, putting on a show, grinding my tight, little ass—a show really meant for Joe—while I took Jeff's cock into my mouth, sucking sweetly and just a little noisily."

Joe was ever the gentleman, waiting to be invited. "I was sucking Jeff's cock trying to figure out a way to get Joe involved without asking directly when it hit me–Jeff loved getting his cock sucked even more than he liked fucking, but for some reason, he didn't like to 69. It just wasn't his thing."

She purred, Jeff's cock halfway into her gullet, "Mmmm, baby, I am so wet. My clit is throbbing. Would you lick me while I suck you? Pleaaaase?"

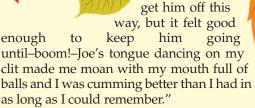

Jeff, too engrossed in having his tool tongued, decided to play big man on campus and waved his buddy into play. "Take care of her, would you, Joey? This feels too good to stop."

Sunny was pleased to note in her letter that Joey's tongue was as impressive as his cock looked to be. "I flipped over on my back and used my hands on Jeff's shaft while I tongued his balls, and Joe took down my panties, admiring my neatly waxed mound and then showering it with teasing little kisses, making my hips beg and reach for his mouth, waiting for me to say it out loud, "Joey, please...kiss my cunny and make me cum for you!"

That might have been when Jeff realized he was allowing himself to be upstaged. "I felt his body stiffen a little," she joked, "not the good kind. But it was too late and he couldn't get all jealous now! It was just what I'd counted on—and a good thing, too, because Joe had skills. He was licking and eating and sucking on my pussy like I was a fresh, juicy Georgia peach. I had never really understood

the phrase 'eating pussy' until Joey. He was masterful. And despite the little bit of jealousy, I think Jeff enjoyed

watching the live porn right in front of him while I sucked him off. I knew I wasn't going to

Not to be selfish, Sunny immediately flipped over and onto all fours. "I went back to sucking Jeff's dick properly, now I had that incredible orgasm firing me up, and

barked, 'Joey, fuck me!' between good, long swallows. I was sad I couldn't turn to see his cock when he took it out, but when he laid the hot length of it onto the seam of my ass before slipping it deep inside, I knew my depths were about to be plumbed good!"

Sunny was, her dream coming true, the human link between two impressive cocks—one sliding in and out of her throat, the other mining the depths of her hot, sweet pussy. "I loved the way Jeff held my head and Joe held my hips. It was like a sexy invasion at both ends. More cock than I could beat off with both hands!" she joked.

And Joe slowed it up for me, too, going deep, thrusting hard and slow, reaching beneath to tickle her clit, coaxing another orgasm out of her as he filled her cunny with his searing-hot

man-spunk and Jeff filled her mouth with his own. "I now know what it's like to be filled like a Krispy Kreme," she laughed. "And it feels as good as it tastes."

She expresses a very deep hope that Sheila forgoes the next rafting trip, as well.

Ingrid grew up in the Bahamas. As such, mountains hold an almost mystical place in her imagination. "It is so pretty where I'm from, miles of white-pink sand and ice-blue water. But it is as flat as the pre-Galileo earth," notes the exotic 21-year-old. "When I moved to California for school I was blown away by the majesty of the mountains and immediately took to hiking. I loved the serene walks through the woods and the challenge of reaching each peak and the views from the top."

Ironically, her tale focuses neatly on the bottom.

"It was the end of Spring Break and my boyfriend, Robert, took me to this state park in northern California that I had been wanting to visit forever. It was already late in the day, though, and the park closed at sunset so we had to double-step it to the trailhead in order to make it back in time. That part wasn't great, but the bonus was that as we ascended the mountain, everyone else was coming down. We were gonna be alone up there."

The weather was cooling and Ingrid was working up a sweat. Beads of moisture were pooling on her voluptuous upper lip and in the hollow at the back of her

Kristine is well on her way to becoming a full-fledged flattie freak!

What can we say? Some girls just hop on the train to kinkytown early. Although Kristine is only 18, she's already had a threesome, fucked girls and had sex in public, among other things. "I love anal and I've had 10 orgasms in a row before. When I had sex in public, it was at a park behind a bush on a skateboard. And all my encounters with girls have involved lots of pussy licking!"

There's something about the beach that makes girls want to get naked!

Maybe it's the sun and the water, or the fact that girls are already close to naked in their bikinis. Whatever it is, the beach is always one of the top spots our models like to get nude and nasty. "I love the beach," said Denisa. "I know of a few places that are always empty. I go there and get naked and swim in the water. It's very liberating to do that."

Morgan's panties are like a sponge for her sweet pussy juices!

Trapped between the cotton threads of her bloomers are the scent and moisture from Morgan's fresh pussy. "When I get really horny I totally soak my panties," Morgan told us. "My boyfriend likes to sniff them. I thought it was weird at first, but now it turns me on that he likes my pussy smell."

Morgan also likes the smell of her pussy.

"Since my guy was so into smelling my panties, I started doing it, too. While he'd fuck me, I'd tell him to put my panties in my face. I started to like the smell of my pussy. And I noticed that whenever I was horny my pussy would smell a certain way. I really like that smell, so much so that I want to try eating a girl out to experience her pussy smell and taste."

neck. They cascaded from her chest to her cleavage and beyond. "And my beau made a comment about how he could see my thong through my leggings," she laughed with her sexy Bahamian accent, "that the crack of my ass was sweaty."

She had no doubt it was; they'd practically jogged up the mountain. Ingrid was in very good shape.

"We reached the top and the view was spectacular," she told me, "and even more beautiful because we were the only souls up there. Everyone else was long gone." Robert slipped an arm around her waist from behind, hooking the fingers of his other hand on her waistband. "How 'bout letting me lick that sweat off you, girl?"

She turned and looked at him like he was crazy, but admits, the idea of getting a little sexy up on the mountain had always turned her on. "I figured, you know, why not? This was likely the only time we'd ever be all alone on what felt like the top of the world. So I kissed him."

Moments later, she was bent over the stone wall of the overlook, the whole of California laid out before her as though she were its queen; her leggings were scrunched to her knees and Robert's tongue was running up and down her crack from clit to pucker and back, cleaning her, warming her, making her ripe for the taking.

"I was so wet," she wrote. "I can't lie. I could feel it on my thighs, and every time his tongue snaked up to my clit he'd slide a pinky into my ass and I'd coo like one happy girl. I found myself pressing my rump up, urging him on."

Robert wanted her as wet as possible, so he licked her some more—tongues and fingers played between ass and pussy until Ingrid's head was dizzy from thin air and what might have been dehydration. "I swear I could feel it running down my legs. It was all I could do not to just say, 'Boy, when are you going to put it in my ass already?""

At last, he relented and she could feel the sweet pressure as the head of his long, thick member knocked on her tight back door. "This was the nastiest thing I'd ever done on a hike for sure, and with the best view, too!" She grunted as the head pressed its way inside her darkest corridor, reaching down between her own legs to press and pull and tease her clit as he worked his way in deeper.

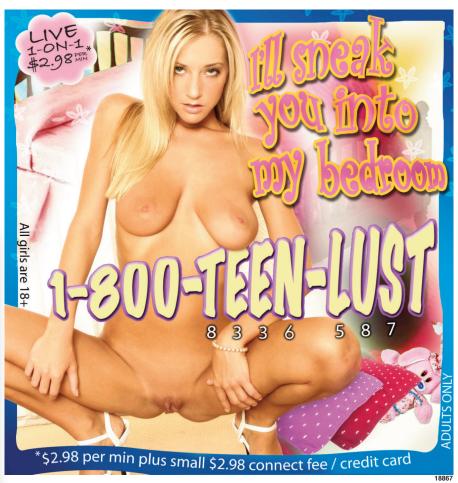

"The pressure was incredible. I slid a finger up into my pussy and could feel his cock on the other side of my walls, working its way into my ass. I flicked and tickled my clit some more and poured on the dirty talk, calling him my king, telling him to fuck that ass, and making sure he opened his

eyes some to get a load of the view before us. 'We're ass-fucking on top of the world, my king,' I said, or something nasty like that. Then I could feel his big cock pulse in my asshole, just the way I could in my mouth before he shot. I worked my clit a second more and then he slowly pulled out. That made me scream and I could hear myself echoing over the valley while he shot his load all over that overlook wall. I'd have laughed but it was the wall that was holding me up. I was spent.

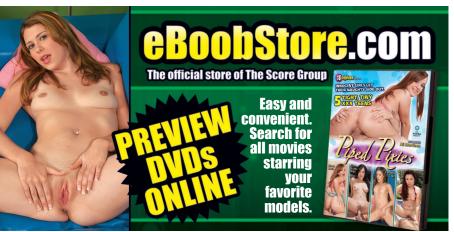

"About five minutes later, we were standing there holding one another just like any other couple having a normal romantic moment in a beautiful place when a ranger came by and told us we should probably head back. Park was closing soon."

Ingrid wondered if he might have been watching them from the brush and waiting for them to finish and straighten up. "That sparked some new hiking fantasies," she said. "I wonder if he was a rump ranger."

than they are. Good job with Ava, 18eighteen.–B.R., via email

Dear B.R.,

We consider ourselves lucky to find a girl like Ava for 18eighteen. Such innocence is rare these days!

Back with Praise

Dear Virgin Territory,

I recently received my Dec. '12 issue of *18eighteen* and I must first apologize before commenting on this issue. It's been quite some time since I last wrote to you, but I don't at all

want you to think its because I had any recent problems with any of the last issues of this magazine. I have read and enjoyed every singe last issue since the last time I wrote and have no complaints. I've just been super busy and haven't had time to write in...until now.

The Dec. '12 issue was by far one of the best of 2012 and you have so much to be proud of this year, and I will forever appreciate this year's quality. This issue was filled with ball-draining teens and the most amazing creampie probably ever featured in an issue. As hard as I tried, I couldn't come up with one major thing I didn't enjoy about the Dec. '12 issue. There were some very minor issues, but

nothing drastic.

Summer was the first teen tart and her layout was awesome. I was especially thrilled with the shot of her on page 15 as her asshole looks just as delicious as her pussy and be seems to screaming, "Stick it in here." The cum shot on page 17, though, was rather pathetic. Agreed? Next up was Elle and her layout was one of a few of my favorites. First off, I have come to really enjoy and be attracted to redhead (ginger) girls and Elle is no exception, especially with those gorgeous, flat tits and bald twat (both favorites of mine). Her spread pussy on page 21 began stirring my cock and what a shot of her tight butthole as well. Mmmm...oh how I'd love to slide my cock into both Continued on page 86

We love Naidyne's hairstyle.

Her long raven locks are nice, but we're referring specifically to the fuzzy triangle between her legs. It's a nice compromise between the completely bald pussies we see, and the au naturale bushes that occasionally grace our pages. "I like having a little bit of pubic hair," Naidyne said. "I think it's cute when it's up top. I call it my Dorito. But I prefer for my lips and asshole to be bald. It's nicer to lick that way."

Such a pretty slit should remain totally hairless.

Navigating the folds of a teen girl's twat is much easier when her pussy is slick and smooth. Naidyne has an innie pussy, meaning that her labia are small and neatly tucked into her slit. If she were to grow out her bush, you would have to do some digging with your tongue to get to the creamy center. But as it is, her pretty pussy is perfectly on display and ready to be lapped up by a wet tongue. "I like to keep my lips hairless because my pussy is more sensitive when a guy eats me out. I love feeling his hot tongue against my bare skin."

those glorious holes, giving her a good fucking before cumming wherever she asked me to.

Kylie was next and while I don't particularly like girls with pubic hair she was amazing. Maybe it was because she didn't have a nasty, messy bush and also because of her beautiful little tits. My favorite pic of her was on page 33 although I wish her asshole was bald. The ever-gorgeous Rilee was next and she has truly become one of my all-time favorite teens, and this layout was another favorite. I absolutely love teens with braces and a fantasy of mine is to be given a blow job by a teen in braces. Rilee would be perfect for that. Even with her larger boobs, this teen is perfect, Now that she has finally fucked, will we be seeing her in hardcore soon? Next up was Mae, and by this time my dick was raging hard, and it took all I could do to contain my cum shot by the time I got to the end. She has everything...beautiful face, small tits and a bald pussy and asshole. Mae really knows how to satisfy a cock, and the creampie at the end was by far one of the best ever...EVER! I sincerely hope you realize how amazing this creampie was and I hope you will continue to feature creampies of this magnitude and caliber in future issues.

The Hot Body Contest was an awesome idea and I do hope my girl wins. The last layout was that of Vee and I must say that I have come to really enjoy the anal temperature layouts, and I hope you will continue with those as well. Vee is by no means the hottest girl for this type of layout, but her twat and ass were beautiful and the cum shot here was a lot better.

Whew, 18eighteen! What an issue, and I thank you so much for it. The last issue of 2012 will be Holiday '12, and I hope you exit this year as you did entering it...with a monumental bang!–M.F., Camp Hill, Pennsylvania

Dear M.F.,

We thought you'd forgotten about us! As you have probably already seen, your favorite girl Rilee won the Hot Body contest. Thanks for writing in again and casting your ballot.
